

UNCLASSIFIED

DATE: August 22, 1983

NOTE TO:

STAT

SUBJECT: Recon Guard

STAT

I have no problem with Karl Landwehr's Recon Guard article, in fact it is probably the best short statement of the Guard I have yet read.

In spite of the fact that he did not attribute it to the Agency, we will probably get some unneeded/unwanted attention. That's the only impact which occurs to me.

*C/ISSG/os*
